RE: DEBTOR TO BLUESTONE CONSTRUCTIONS

It is with a great deal of disappointment and remorse that I am writing to you today.

Regrettably we are **not** in a position to pay our creditors at this stage.

Currently the company finds itself with a serious cashflow shortage, however, **this situation will be resolved** as soon as final settlements at Waterford North come through. Unfortunately we estimate that this could take approximately 8 to 10 weeks for the funds to be released.

I appreciate and thankyou for your assistance and understanding. It is only with your support that we will get through to the end and all creditors will then be able to get paid in full.

Yours faithfully

Larry Matthews
